What is study hall? Study hall is a safe, supervised place for students in grades 4-8 to work on homework (including projects and missing in-class assignments) and to develop successful study habits after school. Mrs. Jodie Anderson supervises this time.

When and where is study hall? Study hall is held on Tuesdays and Thursdays from 3:15-4:15 PM in the library.

How much does it cost? Study hall is \$5.00/student per session. Your School Admin account will be charged each trimester for your child/ren's attendance. Attendance is taken each session so you will only be charged for those sessions that your child attends.

Please indicate which days your child/ren will attend:

Study Hall Expectations

1. Students arrive by 3:15 PM with all of their materials and belongings.
2. Students come with assignments/homework to complete. If homework is finished early, students are expected to read or practice math skills; practice work will be provided if needed.
3. Students understand that study hall is a place to complete school work, not a social gathering place.
4. Students will use a respectful level of speaking voice. Students will respect the rights of others to complete assignments in a quiet environment.
5. **Copying is cheating** and is not allowed. Parents and teachers will be notified if students are found to be cheating.
6. Students will clean up after themselves. They may bring a snack to study hall, keeping in mind that the library is carpeted and food debris or residue may not be left on tables or on the carpet.
7. Cell phones may be used only for listening to an audiobook and only if the student has that indicated as an accommodation on a Student Accommodation Plan.
8. Students will stay in study hall until 4:15 and will follow dismissal instructions from Mrs. Anderson. There is no early dismissal.
9. A parent or guardian must notify both the office and Mrs. Anderson in writing or by email of any special arrangements regarding dismissal from study hall.
10. Be respectful, be prepared, be productive, and be safe.

Non-compliance with the above expectations will result in communication with parents and school administrators and possible removal from study hall.

We have read and agree to respect and follow the expectations for study hall.
