Important COVID Note about the Teacher Meet & Greet: As communicated via Kathy's principal update & [COVID](#) Plan, all parents and visitors must communicate and verify their vaccination status before they are inside any school building, including at the teacher meet & greet. If vaccination verification was completed in the 2021-22 school year with the school office, then you're good to go for the 2022-2023 school year. If not, all parents/visitors, regardless of vaccination status, must complete [this form](#) and submit to the office **prior** to volunteering.

Please be on the look-out for Amanda Lucero and Kathy Cox at the south doors of the main school building - they will need to verify your status or collect your completed form before entering any school buildings. We will have extra forms on hand as well.

Join us on Thursday, September 1st for Back to School fun!

Coding with Kids

LITTLE CODERS Grades K - 2

Tue, 3:15pm-4:15pm
Sep 27 - Nov 29
\$249 / 10-week session

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills.

Students learn basic coding concepts, such as Loops and Conditions. They practice these concepts to build simple projects, including games, stories, and drawing and animating game characters. At the end of the course, students will be able to comfortably build simple scratch projects on their own.

Registrations at www.CodingWithKids.com/session/45926

Immunizations Update

The Department of Health has updated the requirements for the 2022-2023 school year. Students in preschool or kindergarten who are four years old or older on September 1st are required to have the additional dose of DTaP, IPV, MMR and varicella vaccines before the first day of school.

Students with summer birthdays will have less time to get vaccinated before the start of school, so parents should plan ahead and schedule their child's vaccination appointment before the school year starts.

Please send updated records to Charlotte at cvanhollebeke@stcatherineschool.net.

Attendance Procedures

If your child/ren will be absent from school, please notify the school office at attendance@stcatherineschool.net, as well as your child's homeroom teacher, no later than 8:30am on the day of the absence. Advanced notification of the absence (2-3 days before) is also greatly appreciated.

The safety of our students is our number one priority and the office will call home to verify the student's absence if a parent/guardian has not called or emailed.

If you know your child will be tardy due to a medical/dental/personal appointment, the office must be notified for the tardy to be excused. A parent/guardian must accompany a tardy student in to the school office to sign them in for the day.

If your child/ren will be absent from school for 2 or more days of school, please complete a [pre-planned absence form](#) and send it to attendance@stcatherineschool.net at least 2 weeks prior to the absences.

Regular attendance is important to the success of our students. Normally, illness, medical appointments and family emergencies are the only acceptable form of excused absence.

Summer Learning Expectations

Summer is a great opportunity for students to relax, recharge...and review! Summer 2022 Learning Expectations were sent home on Monday with your child (grades K-4) and electronically sent (grades 5-7). [They can also be viewed here.](#)

Quick summary: 100 minutes of Math IXL total for the summer for current students grades 1-4 and 150 minutes of Math IXL for current students grades 5-7. Students currently in grades K-4 are encouraged to fill out Literacy Bingo boards for each month. Students currently in grades 5-7 will read novels assigned by their ELA teacher and complete projects of their choice from a list of options.

If you have any questions, please email Ms. Elsner celsner@stcatherineschool.net.

Little Irish Program

Register now!

We are excited for the 6th Season of the Little Irish Program this upcoming football season! The Little Irish Program is designed to match a young student (boys and girls entering grades K-6 this Fall) with an O'Dea football player. The purpose of the program is to encourage our young men to become positive leaders and role models in the greater O'Dea community. In addition, the program presents an opportunity for the young people of our community to have a mentor in their lives.

You can register for the Little Irish Program via this link:

<https://www.odea.org/athletics/little-irish-program/>

Mark your calendars for the "Little Irish Meet and Greet" on Wednesday, August 31st at 6pm in the O'Dea gym as well as the home opener against the Bothell Cougars on Friday, September 2nd at 5pm at Memorial Stadium in the Memorial Classic.

"My boys already loved coming to watch the big guys play, but the Little Irish program has cemented their bond with O'Dea. They love getting weekly calls from their player/mentor, and it is a real thrill for them to be on the field at games. What a great way to instill our love for O'Dea in area grade schoolers!" -Tom Goedde '88

The Little Irish Program is \$30/per child and includes the following:

- O'Dea Little Irish football jersey
- O'Dea Little Irish personalized ID card
- Free admission to all home football games
- Weekly phone calls from your child's football player

O'Dea High School would be honored for our alums, their families, and our greater community to be involved with Little Irish!
