Parent involvement is essential to the support of our school and to help keep operating costs manageable.

From the tuition contract: Each family (with students in grades K-8) will contribute 40 volunteer service hours (single families contribute 20 hours) between July 2023 and June 2024. Five of the total hours are required to be given to the Auction. Families are responsible for keeping track of their service hours and will be asked to report these at the end of each trimester. Those who are unable to meet the service hour requirement may be excused by paying \$25 hour (\$1,000). Families who do not fulfill commitments for volunteer service hours will be charged \$25 per service hour.
