

ST. CATHERINE SCHOOL STRATEGIC PLAN

2023 – 2028

MISSION

St. Catherine of Siena Parish School is a welcoming, Christ-centered community, rooted in the Catholic faith and inspired by Gospel values. As an extension of the parish and with Jesus as our model, we are dedicated to lifelong growth in faith, love, and learning.

We recognize that the care and education of the child begins with the family and that parents are the primary educators of their children. In partnership with parents, we work to promote our students' achievement and spiritual growth. Together we are committed to developing responsible, ethical leaders who think critically, act justly, communicate effectively, and serve willingly.

BACKGROUND

The Strategic Plan was developed by St. Catherine School leadership, the school commission and multiple community members during the 2022–2023 school year. The plan reflects the results of parent and staff surveys, input from the Archdiocese, and a current state assessment based upon interviews with parents, alumni families, parish members, peer schools and area high schools.

The plan identifies the overarching goals for our school for the next five years along with several related supporting objectives and strategies. The plan builds off the foundation of the prior Strategic Plan developed in the 2018–2019 school year.

FAITH & IDENTITY

Strengthen our school and
parish relationship, our
school's Catholic identity,
and build students' lifelong
connection to their faith and
community.

PROGRAMMING

Refine and expand STEM programming and curriculum to prepare our students now and for a successful transition to high school and beyond.

FACULTY, STAFF, AND OPERATIONS

Retain, empower, and support
our talented faculty and staff
through increased compensation
and support of their professional
and mental well-being.

Assess, develop, and
implement a plan to
address the needs of
our facilities and wider
campus.
