Please let Ms. Elsner (celsner@stcatherineschool.net) know if you have any questions.

St. Catherine NPH is back!

Each year the NPH (*Nuestros Pequeños Hermanos*) Club raises money to support our Godchild Yhon, a boy in Bolivia. All the money raised helps Yhon pay for food, clothing, housing, and education. - Who can join? 3rd through 8th graders
- When are the meetings? 8:00 am 1 day a month in the 1st grade classroom
- What will we do? Create treats and items to sell at school to raise money for Yhon

If you want to join, fill out the form from your homeroom teacher.

We are happy to announce that after 2 years Basketball will be back this school year. As we start planning for the upcoming Basketball season, we are in need of parent Basketball coaches. The season usually starts late October and lasts until January/February. Grades 1-

3 participate in a St. Catherine Intramural program only, practicing once a week, with games on Saturdays mornings. Grades 4-8th have boys and girls teams, practicing twice a week with weekend CYO games.

Please email me karolra24@yahoo.com if you are interested in helping or if you have any questions. Thank you, Carol Ramirez

Career Day

Career Day is coming back this school year on Friday, March 31st! We had a fantastic turnout of parents, grandparents, and community members come to school last spring to share their passion for their careers with our students. Whether retired or in the workforce, please consider coming this year to inspire our students.

Similar to last year, we will have opportunities for you to give a presentation or sit at a booth and answer questions from students. This will be a fun way to end a month of learning about careers, discernment, and interests to help our students become responsible leaders in the world.

This is a fulfilling and eventful way to earn volunteer hours for the school. If interested, mark your calendars and reach out to me closer to the date, or feel free to reach out now to get put on a list. More information will come in the new year.

Please email MJ Price, our PA for Liturgy and Music, to sign up. His email is m.price@stbens.net. Training will be spread throughout the school year. We will contact you when it is your child's turn to be trained.

I'm looking forward to seeing more children participate in the celebration of the Mass. God bless. Fr. Dean

Coding with Kids

LITTLE CODERS Grades K - 2

Tue, 3:15pm-4:15pm
Sep 27 - Nov 29
\$249 / 10-week session

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills.

Students learn basic coding concepts, such as Loops and Conditions. They practice these concepts to build simple projects, including games, stories, and drawing and animating game characters. At the end of the course, students will be able to comfortably build simple scratch projects on their own.

Registrations at www.CodingWithKids.com/session/45926

SCRATCH: INTRO TO GAME DEVELOPMENT Grades 3 - 6

Mon, 3:15pm-4:15pm
Sep 26 - Nov 28
\$249 / 10-week session

Begin your coding journey by creating your own games! This course lays down the foundations for future coding success. Students learn basic coding concepts, such as Variables, Loops, and Conditionals and apply these concepts to create interest-based games, mazes, and animated stories. Projects and activities are all designed to allow students to use their creativity while learning coding.

Immunizations Update

The Department of Health has updated the requirements for the 2022-2023 school year. Students in preschool or kindergarten who are four years old or older on September 1st are required to have the additional dose of DTaP, IPV, MMR and varicella vaccines before the first day of school.

Students with summer birthdays will have less time to get vaccinated before the start of school, so parents should plan ahead and schedule their child's vaccination appointment before the school year starts.

Please send updated records to Charlotte at cvanhollebeke@stcatherineschool.net.

Attendance Procedures

If your child/ren will be absent from school, please notify the school office at attendance@stcatherineschool.net, as well as your child's homeroom teacher, no later than 8:30am on the day of the absence. Advanced notification of the absence (2-3 days before) is also greatly appreciated.

The safety of our students is our number one priority and the office will call home to verify the student's absence if a parent/guardian has not called or emailed.

If you know your child will be tardy due to a medical/dental/personal appointment, the office must be notified for the tardy to be excused. A parent/guardian must accompany a tardy student in to the school office to sign them in for the day.

If your child/ren will be absent from school for 2 or more days of school, please complete a [pre-planned absence form](#) and send it to attendance@stcatherineschool.net at least 2 weeks prior to the absences.

Regular attendance is important to the success of our students. Normally, illness, medical appointments and family emergencies are the only acceptable form of excused absence.

Help our school get \$ back every time you shop at Amazon!

The school will automatically receive a portion of all sales on orders placed through this [unique link](#) which is a combination of the Affiliate and Smile programs.

Fred Meyer/QFC Community Rewards

Fred Meyer/QFC are part of a program called Community Rewards to give back to the community! Each year, Fred Meyer intends to donate \$2.5 million (up to \$625,000 per quarter) to local schools, non-profits, and charitable organizations. Customers can designate where these dollars get spent.

If you are a Fred Meyer customer head to Community Rewards and link your rewards card <https://www.fredmeyer.com/i/community/community-rewards>. When you shop with your rewards card, you'll help earn donation dollars to the charity of your choice. St. Catherine School organization code is AF109. You may select only one non-profit at a time. Also, note that this does NOT impact your quarterly Rewards or Fuel points. You'll still receive all those benefits on top of this program. Today we have 26 families linked to this program and we still receive rewards. Imagine our rewards if every school family took the time to register!

Mission & Philosophy

St. Catherine of Siena Parish School is a welcoming, Christ-centered community, rooted in the Catholic faith and inspired by Gospel values. As an extension of the parish and with Jesus as our model, we are dedicated to lifelong growth in faith, love, and learning.

We recognize that the care and education of the child begins with the family and that parents are the primary educators of their children. In partnership with parents, we work to promote our students' achievement and spiritual growth. Together we are committed to developing responsible, ethical leaders who think critically, act justly, communicate effectively, and serve willingly.

Vision

We are committed to providing a faith-filled, inclusive, and welcoming learning environment for all our students. Through our rigorous academic programs, our students will gain the cognitive, technological, and social skills necessary to become ethical, innovative leaders who successfully navigate the complex challenges of today's world.
