Curriculum Night 2022-2023

For the 2022-2023 Curriculum Nights, we are so happy to be returning in-person.

Our first night is Thursday, September 15th and will be for 6th-8th grades, starting at 6pm. Parents can start to arrive at 5:45pm to greet the Admin team in the plaza and get a copy of the schedule. The first session will begin promptly at 6pm, and we will offer 3 sessions for teacher presentations so that parents with multiple children can visit both homeroom teachers and specialists.

Our second curriculum night is Tuesday, September 20th for Preschool - 5th grades. Again, the first session will start promptly at 6pm and parents are welcome to start arriving at 5:45pm. We will offer 3 sessions for teacher presentations so that parents with multiple children can visit more than 1 homeroom class.

We will also be offering childcare for the September 20th Curriculum Night, for children aged 2 years old through 5th grade. If you are interested in reserving a spot for your child/ren for Tuesday, September 20th, please email [Amanda Lucero](#) with the names and ages of your child/ren. Space is limited and we will not accept walk-ins - all children must be pre-registered.

2022-2023 Family Handbook

The Family Handbook for the 2022-2023 school year is now available for review. There have been significant updates to this handbook, per Archdiocesan policy. It is expected that each student and parent/guardian read the handbook and make a sincere effort to comply with the regulations, and will support the values of St. Catherine School.

Once you have read the handbook with your child/ren, please log into your [SchoolAdmin Parent Portal](#) and complete the verification form for each of your children. This verification is to be completed by Friday, September 16th.

Preschool & Kindergarten Open House

Are you a current preschool family starting to think about kindergarten next fall? Or do you have friends starting to think about preschool or kindergarten? Please join us/and or spread the word about our Open House on **Thursday, October 20th, at 6:30 pm**. It's an excellent opportunity to learn more about our preschool and kindergarten programs.

Students in 2nd-8th grades will take these tests in reading, math, and language. Data from MAP tests is important for monitoring student progress, assessing growth, and providing instruction that continues to meet individual student needs.

Please help make sure your child gets a good night's rest the night before each test and a filling breakfast that morning. Please let your child's homeroom teacher know if your child will be absent, late, or leaving early on any of these days.

Please let Ms. Elsner (celsner@stcatherineschool.net) know if you have any questions.

CYO Basketball is Back!

We are happy to announce that after 2 years Basketball will be back this school year. As we start planning for the upcoming Basketball season, we are in need of parent Basketball coaches. The season usually starts late October and lasts until January/February. Grades 1-3 participate in a St. Catherine Intramural program only, practicing once a week, with games on Saturdays mornings. Grades 4-8th have boys and girls teams, practicing twice a week with weekend CYO games.

Please email me karolra24@yahoo.com if you are interested in helping or if you have any questions. Thank you, Carol Ramirez

Career Day

Career Day is coming back this school year on Friday, March 31st! We had a fantastic turnout of parents, grandparents, and community members come to school last spring to share their passion for their careers with our students. Whether retired or in the workforce, please consider coming this year to inspire our students.

Similar to last year, we will have opportunities for you to give a presentation or sit at a booth and answer questions from students. This will be a fun way to end a month of learning about careers, discernment, and interests to help our students become responsible leaders in the world.

This is a fulfilling and eventful way to earn volunteer hours for the school. If interested, mark your calendars and reach out to me closer to the date, or feel free to reach out now to get put on a list. More information will come in the new year.

I'm looking forward to seeing more children participate in the celebration of the Mass. God bless. Fr. Dean

Coding with Kids

LITTLE CODERS Grades K - 2

Tue, 3:15pm-4:15pm

Sep 27 - Nov 29

\$249 / 10-week session

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills.

Students learn basic coding concepts, such as Loops and Conditions. They practice these concepts to build simple projects, including games, stories, and drawing and animating game characters. At the end of the course, students will be able to comfortably build simple scratch projects on their own.

Registrations at www.CodingWithKids.com/session/45926

Students learn basic coding concepts, such as Variables, Loops, and Conditionals and apply these concepts to create interest-based games, mazes, and animated stories. Projects and activities are all designed to allow students to use their creativity while learning coding.

Immunizations Update

The Department of Health has updated the requirements for the 2022-2023 school year. Students in preschool or kindergarten who are four years old or older on September 1st are required to have the additional dose of DTaP, IPV, MMR and varicella vaccines before the first day of school.

Students with summer birthdays will have less time to get vaccinated before the start of school, so parents should plan ahead and schedule their child's vaccination appointment before the school year starts.

Please send updated records to Charlotte at cvanhollebeke@stcatherineschool.net.

Attendance Procedures

If your child/ren will be absent from school, please notify the school office at attendance@stcatherineschool.net, as well as your child's homeroom teacher, no later than 8:30am on the day of the absence. Advanced notification of the absence (2-3 days before) is also greatly appreciated.

The safety of our students is our number one priority and the office will call home to verify the student's absence if a parent/guardian has not called or emailed.

If you know your child will be tardy due to a medical/dental/personal appointment, the office must be notified for the tardy to be excused. A parent/guardian must accompany a tardy student in to the school office to sign them in for the day.

If your child/ren will be absent from school for 2 or more days of school, please complete a [pre-planned absence form](#) and send it to attendance@stcatherineschool.net at least 2 weeks prior to the absences.

Regular attendance is important to the success of our students. Normally, illness, medical appointments and family emergencies are the only acceptable form of excused absence.
