## ***Family Handbook***

The [family handbook for the 2021-2022](#) school year has been updated. Please read through the handbook with your student/s. The signed page should be turned into the school office by Friday, September 17th. It is expected that each student and parent/guardian will make a sincere effort to comply with the regulations, and will support the values of St. Catherine School.

## ***Attention Families of Walkers!***

As a reminder, please meet your child at the front of the school (this is different from last year). They will be lined up against the brick wall of the school on the south end of the building. When your children get out of the car at morning drop-off, please remind them if they are a walker that day so that they will know not to go to the parking lot with their class after school.

## ***Student Walker Permission***

For those students in grades 5-8, the [Student Walker Permission Slip](#) will provide permission from parents to walk or bike home (or other approved place) after school. Please return the completed form to the [school office](#) before the first day of school.

## ***Immunizations***

Families are required to have a current immunization record on file **before the first day of school**. *Students of families who have not provided an updated immunization record before the first day will not be permitted to attend school until proper documentation has been received.*

Please contact your pediatrician immediately to schedule any needed immunization appointments. Records can be emailed to [cvanhollebeke@stcatherineschool.net](mailto:cvanhollebeke@stcatherineschool.net), mailed, or delivered to the school office.

Parents are also able to print immunization records at <https://myir.net/>.

## ***COVID Requirement***

In accordance with Governor's August 18th proclamation (and the DOH and L&I guidelines), all schools must verify vaccination status of staff, eligible students, and volunteers/visitors. **Parents or guardians of children 12 and over are required to confirm their student's COVID-19 vaccination status to our office no later than today, September 1. As the year progresses, and your child turns 12, you will be required to communicate and/or verify their vaccination status to the office.**

Please email a photo of your student's vaccination card to Charlotte Van Hollebeke ([cvanhollebeke@stcatherineschool.net](mailto:cvanhollebeke@stcatherineschool.net)) or complete this [form](#) indicating your student is not currently vaccinated.

Thank you!

## ***CYO Cross Country***

**Tigers, the Cross Country season is about to begin!** Please see below for important details and registration info as this season will look different than past years.

For runners in K-5 grade all the meets will be virtual this year. For runners in 6th - 8th grade all the meets will be virtual except the last meet of the year on Sunday, October 10th

at Lake Sammamish State Park. The good news is that we are planning to practice in person at Maple Leaf Park right after school on Monday's from September 13th - October 4th. For families with extended care we will be able to get your kids back and forth to practice. We are still planning to have some sort of "treat" (Slurpy Run type activity) during the last practice. We are also hoping to get grade level groups together on Sunday's to do their "virtual meets" together if they choose.

For those that have already registered we wanted to provide this clarity for the season and for those that are interested in Cross Country please register at the CYO website. [Seattle CYO Athletics \(teamsideline.com\)](https://www.seattlecyoathletics.com/teamsideline.com). We will also need parent volunteers for the in person practices at Maple Leaf Park (all parent volunteers must be fully vaccinated and provide proof of vaccination to the [school office](#)). The practices will be right after school and will last about an hour.

Please contact Dave Mayer at [dmayer25@hotmail.com](mailto:dmayer25@hotmail.com) if interested. Thank you!

## ***Safety Patrol***

Our Safety Patrol team will be back in action for the 2021/22 school year! We have missed having our team keep the streets safe before and after school and are looking forward to both new and returning members joining our 2021/22 Safety Patrol team!

Please talk to your child about the benefits of being a Safety Patrol member. Safety Patrol Team membership will provide an opportunity for students to grow, not only in regard to responsibility, but in gaining experience and confidence working with adults and other students. And Safety Patrol is a great leadership training for students - they are responsible for keeping their fellow student body safe. As a bonus, Safety Patrol can be used toward the middle school service requirement!

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills. After the class, students will be able to share their projects with family and friends and continue programming at home with their Coding with Kids Scratch account.

A variety of projects, such as chasing games, mazes, and animated stories, will allow campers to use their creativity while learning coding concepts like loops and variables. Our unique curriculum and smaller class size provide personalized instruction that helps students progress at their own pace while being appropriately challenged. ## **Attendance Procedure**

If your child will be absent from school, it is very important that you notify the school office by calling 206.525.0581 or by emailing [attendance@stcatherineschool.net](mailto:attendance@stcatherineschool.net), no later than 8:30am the day of the absence.

If you know that your child will be tardy, the office must be notified for the tardy to be excused. A parent/guardian must accompany a tardy student in to the school office to sign them in for the day.

The safety of our students is our number one priority and the office will call home to verify the student's absence if a parent/guardian has not called/emailed.

Regular attendance is important to the success of our students. Normally, illness, medical appointments, and family emergencies are the only acceptable form of excused absence.
