

Milk Program 2020-2021 School Year

Milk is provided for any student who would like to participate.

Milk is pre-paid for one month at a time. The fee is **\$7 per student**, and will be charged to your FACTS account.

Students on the milk list receive one 8-ounce carton of 1% white or chocolate milk. If your child would like **additional** cartons each lunch, please multiply the \$7 fee accordingly.

Milk service begins Monday, October 5, 2020. Please return/email this form to the school office on the first day of school or no later than **Friday, October 2nd.** We will have milk available to students the first week of school.

If you have any questions, please contact:
Charlotte Van Hollebeke, Administrative Assistant
(206) 525-0581
